Boundless cfc user manual

For sale! -£20.00 Save £20.00 ✓ In Stock The Limitless CFC 2.0 is the improved and revamped version of the popular Limitless CFC vaporizer. This is another well-designed, lightweight and compact vaporizer to take with you wherever you go. The CFC 2.0 offers full temperature control ranging from 60°C to 230°C. The temperature settings are displayed on a convenient OLED screen. The CFK is a real powerhouse - within 20 to 30 seconds you are ready to enjoy dense clouds of delicious vapor. Limitless CFC 2.0 Improvements Limitless has some serious improvements for the CFK 2.0: More powerful battery - an 18650 battery you vaping for hours at a time. Hookah compatible - good news for those who like their vapor water cooled! The CFC 2.0 is compatible with your favorite bubbler. With the water pipe adapter (included) you can connect your CFK 2.0 to any water tool imaginable. Enhanced airflow - the redesigned nozzle is completely heat resistant and features greatly improved airflow, providing some tasty cloud busting. Ergonomic grip - Never let the CFK 2.0 slip out of your hands thanks to textured grooves. Limitless CFK 2.0 dimensions and weight length: 130 mm Wide: 33 mm Depth: 30 mm Specifications Temperature: 140-446 Fahrenheit (60-230 Celsius) Battery: Internal 18650 Battery life: About 10 sessions Room: Ceramic (0.5g capacity) Heating system: Guidance What's in the box? 1 Limitless CFC 2.0 vaporizer 1 Hookah Adapter 1 Cleaning Brush 1 Rudder Tool 1 USB Charger 2 additional nozzle screens 3 room screens 1 User's hand guarantee The Limitless CFKFC 2.0 is covered by the 3-year manufacturer's warranty. The new design features textured grooves and ridges that provide a stable and comfortable grip while keeping the device cool. It features a ceramic bowl that can fit up to 0.5 grams of a gram from the ground to herb. The CFC 2.0 ensures a clean and pure taste and also delivers smooth clouds. The air flow is strengthened to allow a larger and smoother pull. Our latest smallest model is now equipped with a WPA so throwing on glass bong is a breeze. Get denser pure tasting hits with the

CFC 2.0. Hookah adapter supplied The versatile CFC 2.0 uses conduction to heat and extract terpenes and cannabinoids. Drag the nozzle away to reveal the ceramic bowl. Packing with the CFK 2.0 couldn't be simpler, just grind down the desired amount of herb. Our ceramic bowl provides up to 0.5 grams of finely ground herb. Heat the time with the CFC 2.0 is lightning fast because you can draw tasty clouds within seconds. Our redesigned nozzle has improved airflow with a heat-resistant nozzle allowing a larger and more comfortable pull. The CFC 2.0 is a truly versatile unit that goes through the water pipe adapter of the palm of your hand or directly to a glass water pipe. Weight 0.5lbs Dimensions Length: 130mm • Width: 33mm • Depth: 30mm Temperature levels 140-446 ° F • 60-230° C Battery capacity (1) Internal 18650 mAh Battery Sessions Per charge Approximately 10 Sessions Room material ceramic chamber heating system compact and robust and design with textured grooves for comfortable hand placement. Built with medical and food quality equipment. Non-combustion aromatherapy device CFC 2.0 Unit Water Pipe Adapter Cleaning Brush Stir Tool USB Charging Cable 2 Extra Nozzle Screens 3 Room Screens Manual All Limitless Technology, LLC products are supported by a 3-year factory warranty. There is a separate 90-day battery warranty. To claim a warranty, you must have the proof of purchase and the original box of the device that came in because it contains a security code required for the warranty process. To start the warranty process, click here. I took it apart to clean it for the first time in 6 months (gross I know) and I put it back together wrong because now it's burning my lips when I use it. I keep the manuals for literally everything I buy, but I can't find them. went through my tray of manuals and found manuals for my heater, sex toys, bluetooth speakers, literally everything except the one I actually needed @ and I can't find the manual online so I'm stressing. does anyone have a link for it? The?
